UNDERGRADUATE ASSOCIATION.

A special meeting of the Undergraduate Association was called on Monday, May 9, for the election of the President, Chairman of Executive Committee, Treasurer, and Sophomore Member of the Executive Committee. The final regular meeting of the Association for the year was held in the Theatre Thursday, May 12. At this meeting, the Treasurer, Alice Haskell, '06, reported a balance for the year in the treasury of \$348, mentioning also that a large number of students from each of the four classes were still indebted to the Association for the annual dues, and urging, as a particular favor to the Treasurer and the Sub-Treasurers, that these dues be paid at once. The Chairman of the Executive Committee, Kate Doty, '04, submitted the following report:

Article I.

Section 1. The Executive Committee shall be empowered to rent scenery belonging to the Undergraduate Association to organizations outside of Barnard College which are using the Theatre.

Section 2. The price shall be fixed according to the discretion of the Executive Committee.

Article II.

Section 1. Before the final examinations of each year the Sophomore Class shall hand the Mystery Book to the Secretary of the Undergraduate Association who shall, in her turn, hand it to the Freshman Class before their luncheon.

This report was accepted by the Association without amendment. Lizzette Metcalfe, '04, Chairman of the Play Committee, reported a balance from the receipts of the Undergraduate Play of \$66.06, to be returned to the Undergraduate Association. The election of the remaining officers for 1904-05 was then continued, and the total results of the elections are as follows: President, Emilie Josephine Hutchinson, '05; Vice-President, Frances Hope Purdon, '05; Secretary, Elizabeth Grace Evans, '06; Treasurer, Agnes Elizabeth Ernst, '07; Chairman of Executive Committee, Cecil Insee Dorrian, '05; Junior Member of Executive Committee, Mary Washburn Murtha, '06; Sophomore Member of Executive Committee, Jean Disbrow, '07.

LA SOCIÉTÉ FRANÇAISE.

There will be a meeting of La Société Française on Monday, May 16, at 12:20 in Room 24. The business will be the election of officers for next year.

"A SINGING SCHOOL OF YE OLDEN TIME."

On Tuesday, May 10, the Y. W. C. A. gave "An Old Fashioned Singing School," in order to raise money to send delegates to the Silver Bay Conference.

It was of course, a far less elaborate performance than most of those we have had lately, but it went off very well; and a great deal of credit is due to Laura Parker, 1905, who was chairman of the committee.

The performers were wise in not attempting to make a particular feature of the chorus singing. Nothing is more tedious than a number of songs, sung in a mediocre fashion. The cast realized this, and created a diversion by keeping up continuous by-play. As a whole the action was lively, and the players entered well into the spirit of the thing as if they enjoyed it themselves.

Particular mention should be made of "Dame Plunkett," "Sylvia Nightingale," and the pair, "Moses Simpkins" and "Betsey Martin." Dame Plunkett had of course, about the heaviest part. The whole play depended on her, and she carried the burden easily and well. Sylvia Nightingale's songs by no means suffered in contrast to the chorus. She has a charming, well trained voice, to which it is a pleasure to listen. Moses and Betsey, together and individually the laughing stock of the school, succeeded admirably in their parts.

The cast was as follows:

Dame Plunkett..... Laura Parker, 1905.
Squire Bellingham.... Pamela Lyall, 1905.
Julius Caesar..... Mary Murtha, 1906.
Cynthia Bigelow..... Bess Scott, 1905.

At a regular meeting of the Barnard Club of Whittier Hall the following officers were elected:—President, A. P. Leland, 1905; Vice-President, A. Tattershall, 1905; Secretary, A. Carroll, 1907; Treasurer, A. Hart, 1906.

BARNARD-NORMAL DEBATE.

On Saturday, May 7, in Normal College Chapel Barnard, represented by Florence Hubbard, '04, and Charlotte Morgan, '04 debated with Normal on the subject, Resolved: That the Hon. Joseph Chamberlain's fiscal system would benefit England. A majority of the judges, who were Dean C. D. Ashley of the New York Law School, ex-Commissioner of Education, N. J. Barrett and Dr. Shotwell, awarded the victory to Normal. After the first part of the debate and after the rebuttal, two students of Normal College and the Barnard Chorus entertained the large audience with songs and recitations. The big Barnard banner and the various class flags were an effective adornment to the gallery in which the Barnard girls gathered to sing and cheer for their Alma Mater. From that one afternoon college spirit received an impetus such as it has never felt before, and, it is to be hoped, will accomplish something definite in the near future. The judgment has shown us that while in the field of logic we can hold our own, in elocution and public-speaking we do not appeal enough to the emotions of our hearers.

MONDAY, MAY 16, 1904.

We wish to jog the memory of those students who have not yet paid their subscriptions for the *Bulletin*. The year is now near its close and the Editors wish to have all accounts settled as soon as possible.

In looking over some early numbers of the *Bulletin*, we came across one in which there was a financial statement of the Undergraduate Association for the college year ending June 1901. The plan is a good one. It seems to us that there should be public statements of this kind at the close of every college year not only from the Undergraduate Association but also from the various college clubs. It is due to those who contribute to the expenses of an organization that they should have a printed statement of receipts and expenditures. The Treasurer's verbal reports give a more or less definite idea of a club's finances from time to time, but they are incomplete without a final written summary of all business transactions.

The preparation of these statements would be valuable training in careful and accurate keeping of accounts. As societies grow this becomes more and more impor-

tant. Furthermore, if these financial statements were published in the *Bulletin* they would be easily available to all students for future reference.

We trust that this is a matter that will receive consideration.

REPORT OF COLLEGE ENTRANCE EXAMINATION BOARD MEETING.

The semi-annual meeting of the College Entrance Examination Board was held at Columbia University on Saturday, May 7, at 10:30 A.M. There were present the following:—

Adelphi College, President Levermore; Barnard College, Dean Gill; Bryn Mawr College, President Thomas; Colgate University, Dean Crawshaw; Columbia College, President Butler; Cornell University, Dean Crane; Massachusetts Institute of Technology, Prof. Tyler; Mt. Holyoke College, President Woolley; New York University, Prof. J. H. MacCracken; Rutgers College, President Scott; Swathmore College, President Swayne; Union College, President Raymond; Vassar College, President Taylor; Wellesley College, Dean Pendleton; Western University of Pennsylvania, Dean Carhart; Women's College of Baltimore, Dean Van Meter; and the following representatives of secondary schools:

Julius Sachs, of New York; Wilvon Farland, of the Newark (N. J.) Academy; James G. Crosswell, of the Brearley School, New York; James L. Patterson, of Philadelphia; Dr. Wm. Gallagher, of Braintree, Mass. The latter gentleman met with the Board for the first time as the representative of the secondary schoolmasters of New England.

The Western Reserve University of Cleveland, O. was admitted to membership in the Board.

The reports covering the educational financial work of the Board were presented and considered. Steps were taken to appoint the readers to serve at the examinations of 1904, as well as examiners to serve for the examinations of 1905. A Committee of the Harvard University Faculty, consisting of Dean Briggs, Dean Hurlbut, and Prof. H. S. White, attended the meeting of the Board and were in conference concerning the work of the Board so far as it affects, or might affect, the examinations for admission to Harvard. It is estimated that nearly, if not quite, 2000 candidates will present themselves at the examinations to begin on June 20 next, these examinations to be held simultaneously in about 150 places throughout the United States and Europe.

ATHLETIC RECORDS BY VASSAR GIRLS.

From the *New York Times*.

Four new Vassar athletic records were made in the annual field day games to-day. In the 50-yard dash Fanny James, 1901, of Kansas City, placed the mark at 0:6 1/2, and lowered the 100-yard dash record to 0:13. Helen C. Babson of Gloucester, Mass., in the running high jump, made a new record of 4 feet 2 1/2 inches, while Alice H. B. Elding of Poughkeepsie increased the baseball throw distance to 195 feet 3 inches.

The programme was made up of twelve events, and the points were awarded as follows: Seniors, 55; Juniors, 29; sophomores, 10; freshmen, 14.

THE DEUTSCHER KREIS.

At the business meeting of the Deutscher Kreis, held on Tuesday, May 10, the constitution was amended to read that officers be elected at the May meeting. The following were elected: President, Lily S. Murray, 1905; Vice-President, Edwina L. Levy, 1905; Secretary, Grace Farrelly, 1905; Treasurer, Blanche H. Reitlinger, 1905; Fifth Member of the Executive Committee, Edna Frank, 1906.

SOUTHERN CLUB.

The election of officers of the Southern Club was held Wednesday, May 11th, with the following results: President, Mary D. Lee; 1st Vice-President, M. Barbour Walker; 2d Vice-President, M. L. Sheib; 3d Vice-President, Katharine Armstrong; Recording Secretary, Gussie Bronner; Corresponding Secretary, Mary Evans; Treasurer, Margaret Wakalee.

The following quotation is printed from an amusing account in *The Daily Nebraskan* of the preparations for the coming Athletic Elections at the University of Nebraska, and indicates the extent to which co-education is being carried in the social life of a Western College.

The plan of having girl members is being agitated, but so far no girl has announced herself as candidate according to the custom followed at such elections.

The girl vote has been a general topic of discussion, and it is evident that it will figure quite largely in this year's election. In fact, hopeful glances are cast in their direction and much is expected of them. The practice of voting them promises to be general, although few can be found who would defend the practice. It is prophesied that the election will furnish an object lesson that will be remembered and looked back upon with interest.

The campaign will probably be the most interesting that has ever been waged here, and is full of uncertainty. It is certain that interest will be added because of the girl vote and the agitation that has been aroused concerning it. Then too, students seem to realize how important a place on the Athletic Board really is. A student member of the Board has power and influence of a substantial character, and can make his pressure felt in the government of athletics. Nebraska's sudden rise into prominence has increased the desirability and honor of such a position, which fact is generally realized. Our football, basketball and baseball teams have forged to the front, and are able to go up against the best that can be scheduled. Nebraska could hold a place in the "Big Nine," and could make the best teams hustle to beat her out. What wonder is it then that a position on the Athletic Board is so desirable.

CHAPEL.

On Tuesday, May 17, Dr. Grosvenor will conduct the closing chapel service for the year. The regular service will be followed by an address by President Butler. The students are requested to come in caps and gowns.
