## RECOMMENDATIONS ADOPTED BY THE FACULTY.

## BARNARD UNION.

## UNDERGRADUATE ASSOCIATION.

1. The general plan for admission shall remain as it is for all students entering the College, but the following changes shall be made in matters of detail: (a) Music and Drawing, each with the value of one point, to be added to the list of subjects which may be offered without restriction.

2. Beginning in January, 1908, the College shall hold entrance examinations annually in the month of January (unless the College Entrance Examination Board shall decide to hold examinations at that time) and arrangement shall be made for properly qualified students to enter regularly upon a college course at the beginning of the second half-year.

3. Beginning in September, 1905, the College shall make the half-year its unit of credit, and the term "point" to signify the satisfactory completion of work requiring attendance one hour a week for one half-year, and the requirements for graduation to be 120 points.

4. A graduation thesis shall not be prescribed.

5. Prescribed studies shall be taken, as years of residence; and subjects taken in college which are continuations of subjects offered at entrance must be taken, as far as possible, in Freshman year.

6. Additional courses, other than those specified under each year, may be taken by students qualified to pursue them with advantage, but in every case only with the consent of the Dean.

7. No combination of courses amounting to less than twelve or more than sixteen points may be taken in any half-year without the consent of the Dean.

8. At least 9 points, exclusive of prescribed work, must be made, before graduation, under some one department.

9. A student who receives a mark of F in any prescribed course must repeat that course. A student who receives a mark of F in any course not prescribed may present herself for re-examination at the stated time; on passing such examination she shall receive only a mark of D. In case of absence from examination, due to illness or other unavoidable causes, the student may be examined by permission of the Dean, and marked as though she had attended the regular examination.

10. In any half-year not more than one course, whether prescribed or elective, in which the student is marked D may be counted toward a degree. Of several courses in which she is marked D she may choose the one to be so counted.

11. At the end of every half-year, when all the reports are filed in the Registrar's Office, additional credit for high standing shall be given as follows: The mark of A in any two courses (no course to be counted twice) shall entitle the student to one point of extra credit, provided she has not fallen

The regular meeting of the Barnard Union was held on Wednesday, March 1, at 3:30, in the theatre. Letters from the Secretary of the Student Council and the Chairman of the Faculty Committee on Student Organization were read, approving the decision of the Union with regard to the postponement of the debate with Normal College. The resignation of Miss Plate, the Secretary of the Union, was accepted with regret, and Miss Brewster was elected to the office, with Miss Hermann as assistant.

In accordance with the arrangements made by the Program Committee, Professor Trent will address the Union next Wednesday, March 8, at 4 o'clock, in the theatre. His subject will be "The Study of Poetry." The meeting is to be an open one, and all the students are cordially invited to attend. On March 22, Professor Brewster will address the members of the Union on "Intercollegiate Debating."

The following were proposed for membership in the Union, and were duly elected: Miss Askowith, Miss Gordon and Miss Johnson, '08.

After the regular business of the meeting was transacted, a debate was held on the subject: "Should Senator Lodge's bill restricting immigration be passed?" The affirmative side was upheld by Agnes Ernst, '07, and Edith Handy, '05; the negative by May Parker and Caroline Lexow, '04. The vote of the audience on the merits of the debate resulted in favor of the affirmative.

A meeting of the Debating Section of the Union was held on Monday, February 27. The subject of the debate was: "Resolved, that the advantages of Barnard amply compensate students for the lack of a dormitory life." The affirmative side was upheld by Rosa Fried, '06, and Fannie McLane, '07; the negative by Louisa Blackburn, '06, and Mary Reardon, '07. The negative won.

At the meeting next Monday, the subject for debate will be: "Resolved, that the final marks in examinations should be posted at Barnard." Affirmative, Belle Russell and Faith Chipperfield, '06; negative, Martha Thompson, '05, and Clara Schmidt, '06.

## "A SINGING SCHOOL OF YE OLDEN TIME."

On February 28 the Y. W. C. A. gave "An Old Fashioned Singing School," in order to raise money to send delegates to the Silver Bay conference. Except for a few changes, the cast was the same as in the performance last May. Much credit is due to Sophie P. Woodman, '07, the chairman of the committee, for the great success of the affair.

Praise is also due to the members of the cast, who made up for any deficiencies in choral singing by great vivacity and enthusiasm of acting, giving, on the whole, a very satisfactory performance.

At a special meeting of the Undergraduate Association, held Thursday, February 16, the following report of the Undergraduate Play Committee was accepted:

Article I.—There shall be two performances of the Undergraduate Play—Friday, May 5, and Saturday, May 6.

Article II.—The admission shall be 50 cents for Undergraduates and \$1 for all other persons.

Article III.—The cost of the play will be about \$350.

Article IV.—The committee request that the Undergraduate Association advance them \$100 for running expenses.

Article V.—The play shall be "The Butterflies," by Henry Guy Carleton.

The President of the Undergraduate Association requested that those students who have no lecture from 11.30 to 12.30 will make a special effort to go to lunch before 12.15, as the congestion in the lunchroom between 12.30 and 1.30 is becoming serious.

The Chairman of the Song Book Committee requested that the Classes of 1906 and 1907 send in their songs, and the Class of 1908 submit one song as soon as possible.

The following report of the Executive Committee was accepted:

Article I, Section 1.—The Undergraduate Association promises to pay the following sum for the piano now in the theatre: \$10 a month for the months of February, March, April and May, \$5 a month for the months of June, July, August and September, making \$60 in all.

Section 2.—All organizations except the Undergraduate Association shall pay \$1 when using the piano.

Article II.—The Undergraduate dues for the second term shall be 75 cents.

## THE FIFTH AVENUE TEACHERS' AGENCY.

The self-supporting portion of the alumnae may be interested to know of the establishment during the last year of a new agency intended especially to meet the needs of college women in various lines of work. Miss Helen M. Kelsey, formerly Register of Wellesley College, has opened an office at 156 Fifth Avenue, New York, and has already had marked success in placing women not only as teachers, but as principals and secretaries. One department is devoted to the needs of workers in philanthropic lines. Among the patrons of the agency are such schools as Kent Place, Walnut Hill, the Brearley, Briarcliff Manor, the Emma Willard, Pratt Institute and Wellesley College, and such organizations as the Charity Organization Societies of New York, Philadelphia, Boston and Brooklyn, the City Club of New York, the S. P. C. C. of Philadelphia. Well-trained and experienced teachers will, we believe, do well to correspond with Miss Kelsey.

THE FRENCH PLAY.

The French Play committees have decided to give "Le Médecin Malgré Lui" without any curtain raiser.

Y. W. C. A.

A lady desires some one, preferably a college student, to help her with light house-work for two or three hours a day during a few days in March.

A lady has some very good clothing, almost entirely new, which she is willing to dispose of for a very low price.

Any one interested in either of the above notices may obtain further particulars by applying to Alice Smith, '05.

RECOMMENDATIONS ADOPTED BY THE FACULTY.

(Continued from Page 1)

below the mark B in any of the courses pursued by her during the half-year.

12. Any student who is credited with 94 points (including all prescribed work) may receive one point of extra credit for each of two courses chosen from among those offered by any single department as counting toward a higher degree, provided the quality of her work in such course be tested by an essay for which a mark of A or B is given, in addition to the stated examinations. No student shall receive more than one point of extra credit in one half-year under the terms of this rule.

13. Candidates for admission to the Freshman class offering for entrance more than the required 15 points shall be given credit for this extra work toward a degree on a basis to be determined by the Committee on Admissions, provided that not more than 18 of the 120 points required for a degree may be made in this way.

14. The Committee on Honors is directed to report to the Faculty what, if any, changes will become necessary or desirable in the system of awarding honors to adapt it to the Programme of Studies presented in the body of this report.

15. Heads of departments are requested to re-number their courses in accordance with the second plan suggested by the Committee, to state carefully the prerequisites in their own and in other departments for each of their courses offered to students of Barnard College, and to report on these points to the Special Committee on Revision of the Programme of Studies not later than March 10, 1905.

16. A candidate for the degree of Bachelor of Arts must fulfill all requirements for the degree within six years from the time of her first matriculation as a Freshman in college, whether at Barnard or elsewhere; within four and a half years from similar matriculation as a Sophomore; within three and one-half years from similar matriculation as a Junior, and within one and a half years from matriculation as a Senior. Failing to satisfy the requirements within the time as here specified, she shall lose credit for all the points gained by her toward the degree, unless in individual cases properly attested the Faculty shall otherwise direct.

17. No Extension courses, taken either at Barnard or elsewhere by a matriculated student, shall be credited toward the degree of Bachelor of Arts.

18. Every recipient of the degree of Bachelor of Arts must have made at least 84 points in actual college residence, of which not less than 24 must have been made in Barnard College. In individual cases properly attested the Faculty may suspend this rule.

19. Students of mature age, who wish to pursue chiefly advanced courses of special study, may be admitted as non-matriculated students at the discretion of the Committee on Admissions without passing formal entrance examinations. Such students must furnish proof that they have at some time pursued the studies included in the matriculation examinations, and must satisfy the re-

quirements of the department which they desire to enter.

In the courses which they severally pursue, non-matriculated special students will be held to the observance of the same regulations as to attendance, examination, proficiency and deficiency as regular students.

20. Less mature students who wish to specialize without reference to a degree must take the regular examinations for admission and have credit for fifteen points of unconditioned entrance requirements. Such matriculated special students may select their own courses of study, subject to the general approval of the Dean and to the particular approval of the heads of the departments in which courses are elected; they are required to pursue in any year courses amounting to at least eight points, unless excused by the Dean for reasons of weight; they will be held to the same regulations as obtain for regular students in the courses pursued; and may, therefore, in event of a change of plan, be credited with such of their courses as may coincide with the courses leading to a degree.

Except for reasons of weight, satisfactory to the Committee on Admissions, no one will be received as a matriculated special student who is less than 18 years of age, or who has, within ten months of the time of her application, been rejected as a regular student, or who has within that period become deficient as a regular student.

21. All students, except Seniors, who shall have been absent from more than one-tenth of the exercises in any course during a single half-year shall not be entitled to examination in that course.

Every student is expected and required to keep an account of all absences and tardinesses; and, should she exceed the limit allowed in any course, she must present to the Dean, during the week preceding the stated examinations, satisfactory explanation of her absences, or be debarred from the examination. When reported as over-cut a Freshman or a special student shall explain all absences; a Sophomore or Junior shall explain all absences in excess of one-tenth of the number of exercises in that course.
