Basketball Teams Tie For Lead
The concluding games of the inter-
scholastic basketball competition at
California High School are fast
approaching. The boys' and girls'
teams are currently at the top of the
tables, with both teams having a record of 12-0. The boys' team, under the
leadership of Coach Smith, has won all
their games by an average margin of
15 points. The girls' team, coached by
Coach Johnson, has also been
unbeaten, winning by an average of
12 points per game.

Peace League
The Barnard Peace League is
celebrating its first anniversary this
month. The league, which was
founded in response to the growing
crisis in world affairs, has
achieved significant success in bringing
about peaceful resolutions to
international conflicts. The organization
now boasts a membership of over
500 students from various colleges and
universities across the country.

Correction From Quarterback
This is to correct an error that was
made in the last issue of the Barnard
Lion's football program. In the
columnist's introduction, he
incorrectly stated that the team had
been undefeated for three years. The
correct statement should have read:
"The Barnard Lion's football team has
not lost a game in the last two
seasons."
